SUBMISSION GUIDELINES

- **Abstracts** have to be submitted electronically and in English
- **Abstracts** received after the deadline (April 15th, 2020) will not be considered
- Supply as much information as possible: the precise subject of study, methods used where appropriate, summary of results obtained, conclusion
- As it is assumed that original work will be presented, no bibliographic references are necessary
- Selected **abstracts** will be published in the abstract book exactly as you submitted it. Therefore, proofreading is essential, no modification will be possible after submission.
- Your **abstract** should not contain accents or any other invalid character, which would not be part of the English alphabet.
- Your **abstract's** text should not exceed 3,000 characters (excluding spaces)
- The main author (presenter) confirms that all authors are aware of and agree to the content of the abstract and support of the data presented. By submitting his abstract, the author allows the IFODS to publish and distribute or sell his abstract as part of the Abstract Book, which may be distributed on paper.
- All selected **abstracts** will be published in the abstract book. Papers accepted for IPOSTER presentation will be displayed during poster sessions.
- Acceptance or rejection of the paper by the Scientific Committee will be notified by email to the main author (presenter) by April 26th, 2020
- Only persons whose registration is complete will be able to present their **abstracts**
- IPOSTERS will be awarded or encouraged: a special jury will select the three best posters and their authors will receive IFODS Poster Award and a cheque of 500€ each.
