# IFODS on behalf of Cours St-Paul

International and French Oncology Days  
*Journées Franco-Internationales d'Oncologie*

*With the support of*

Chers collègues, chers amis,

**N**ous sommes très heureux de vous annoncer la 6ème édition des IFODS qui se tiendra du 14 au 16 juin 2023 à Paris au Rive Montparnasse.

Un grand nombre de nouveautés au programme sont prévues au cours de ce congrès et d'ores et déjà, je suis très heureux et honoré que le Professeur Françoise Mornex nous ait rejoints en tant que Vice-Présidente du conseil scientifique pour l'organisation de ce futur congrès. Dorénavant, les IFODS se situent comme le congrès transversal et national de cancérologie.

Parmi les bonnes nouvelles, nous avons le plaisir de vous informer que nous avons reçu le soutien de **l'Institut National du Cancer**.

Principales nouveautés à retenir :

- La neuro-oncologie, l'hématologie, l'onco-gériatrie, l'onco-pédiatrie. Ces spécialités rentrent parfaitement dans notre volonté de faire des IFODS un congrès multidisciplinaire couvrant l'ensemble de la cancérologie.

- Les IFODS, dans un cadre de formation, ont souhaité proposer une place prépondérante aux jeunes oncologues, pour leur permettre d'accéder aux actualités dans le monde de l'oncologie et de disposer des recommandations de bonnes pratiques.

- Nous avons obtenu cette année **l'agrément de l'ASCO** pour en présenter les « *Best of en un jour à Paris* ». Nous vous attendons très nombreux aux IFODS, incluant la dernière journée, qui sera entièrement dédiée à la restitution des meilleures communications de l'ASCO 2023. Nous aborderons également l'actualité d'autres congrès (SABCS, ESMO).

La Société Française du Cancer (SFC) nous accompagnera pour une session consacrée au Futur de l'oncologie.

- Enfin, nous allons réserver une journée complète à l'écosystème de l'innovation en cancérologie avec le « 1<sup>er</sup> Onco Startup Summit », avec participation possible à des débats, des pitches, du networking dans le village des startups ... Une journée au contact de tous les acteurs, afin de booster l'innovation en oncologie venant de nos startups onco (biotech, medtech, numérique ou du diagnostic) !

Chaque jour, à l'occasion de déjeuners débats, de symposiums, des partenaires vous présenteront un sujet de leur choix et pourront échanger avec les experts sur place, experts qui vous communiqueront les informations les plus actualisées et les plus objectives possibles.

L'ensemble du Conseil scientifique, nouvellement créé, le Comité d'organisation, Françoise Mornex et moi-même, vous attendons avec impatience, pour vivre ensemble ces 3 jours complets à Paris et vous faire bénéficier de toute l'actualité récente du monde de la cancérologie.

En vous remerciant encore de votre fidélité et de votre confiance,

Bien amicalement,

**Jean-Philippe Spano et Françoise Mornex**

## SUBMISSION GUIDELINES

- **Abstracts** have to be submitted electronically and in English
- **Abstracts** received after the deadline (May 10<sup>th</sup>, 2023) will not be considered
- Supply as much information as possible: the precise subject of study, methods used where appropriate, summary of results obtained, conclusion
- As it is assumed that original work will be presented, no bibliographic references are necessary
- Selected **abstracts** will be published in the abstract book exactly as you submitted it. Therefore, proofreading is essential, no modification will be possible after submission.
- Your **abstract** should not contain accents or any other invalid character, which would not be part of the English alphabet.
- Your **abstract's** text should not exceed 3,000 characters (excluding spaces)
- The main author (presenter) confirms that all authors are aware of and agree to the content of the abstract and support of the data presented. By submitting his abstract, the author allows the IFODS to publish and distribute or sell his abstract as part of the Abstract Book, which may be distributed on paper.
- All selected **abstracts** will be published in the abstract book. Papers accepted for IPOSTER presentation will be displayed during poster sessions.
- Acceptance or rejection of the paper by the Scientific Committee will be notified by email to the main author (presenter) by May 14<sup>th</sup>, 2023
- Only persons whose registration is complete will be able to present their **abstracts**
- IPOSTERS will be awarded or encouraged: a special jury will select the three best posters and their authors will receive IFODS Poster Award and a cheque of 500€ each.
